COMPREHENSIVE
CANCER SERVICES

NOW AVAILABLE IN
NATCHITOCHEs

MANAGED BY
OncoLogics, Inc.

With the recent opening of the Northwestern Louisiana Cancer Center, cancer patients in the Natchitoches area can now receive their treatment much closer to home. This is a tremendous comfort for patients who need radiation therapy or chemotherapy on a daily basis, often spanning several weeks.

Our new facility is available with state-of-the-art radiation therapy equipment:

- CT Scanner for CT Simulation
- Dual Energy Linear Accelerator for Modulated Radio Therapy (IMRT)
- Computerization of Treatment Planning Systems

The quality treatment available in big cities and large cancer clinics, with the comfort of being close to home — Northwestern Louisiana Cancer Center.
